Sunday 31 October 2021 14.00 - 18.00, 4 hours

Norra Real Jazz No.2 at Norra Real, Roslagsgatan 1, Stockholm

This year all Swedish citizens will be vaccinated, therefore it's highly likely that we will be able to go ahead with NORRA REAL JAZZEN No.2. The still active high school, since 1890 in Stockholm, has now again successfully re-started the Jazz music which was played at the school during the 1900s. Even the school's old, restored organ, also from the 1800s, will be played on by Ulf Johansson Werre. The artists performing include the singer Majken Christiansen, the actress from Copenhagen who has become one of Oslo's best jazz singers. From Gothenburg, Klas Lindquist's original band Second Line will be performing dance music, including pure Dixieland and the evening will also be enhanced by our dear Jump4Joy.

As usual, discount tickets are available until 30 September 2021.
